

Villa 2 is open plan design and very spacious, ideally set up for a relaxing holiday.

Villa 2 has two bedrooms, each with their own full bathroom and walk-in robe.

The kitchen, dining and living areas all face stunning uninterrupted views to the east through a continuous wall of glass which wraps around on both the northern and southern sides. All these rooms look out over Wakki Beach and the ocean.

Some of the view from the dining area

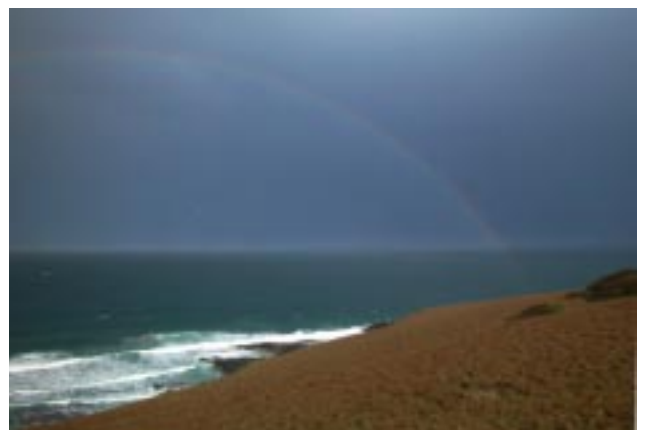

Part of the view from the living area

The dining and living areas open onto a large spacious tiled verandah, which returns around the north east corner of the villa. It is fully covered to maximise its use in all weather. Spectacular 270 degree beach, headland, ocean and mountain views are to be enjoyed from the timber outdoor furniture settings on the verandahs.

A little of the spectacular view from the front verandah

The living area also opens out onto the headland reserve to the south. This gives you access to your 'own' backyard of heathland grasses that stretch out over the headland.

Some of the headland reserve to the south

The gourmet kitchen has all you would wish for & much more. It is appointed with state of the art appliances including dishwasher, microwave, touch pad hot plates and double oven. The two door fridge has a door mounted water/ice dispenser. The kitchen opens out to the dining area and the view. The granite bench tops and glass splash backs enhance the appeal.

Kitchen from dining area

The large living room has stunning views on three sides which can be enjoyed whilst relaxing in the very comfortable leather lounge suite.

Sunrise from living area of villa

The villa has a separate audio visual room with a plasma screen TV and surround sound. It will play DVDs, DVDRs, CDs, CDRs and MP3 discs. Pay TV is available with additional movies and world movies provided. This can all be enjoyed whilst relaxing in another very comfortable lounge suite.

The bedrooms are located either side of a wide hallway that opens out to the view. Each bedroom has ocean and beach views which can also be enjoyed from their own verandahs.

View from bedroom 1, over its own verandah

The bedrooms are large (5.5m x 4.3m), each accommodating a queen size bed, with lounge chairs and side table, the perfect place for relaxing. Both bedrooms have a 68cm TV and audio system and each has a large walk-in robe.

Both spacious bathrooms have a spa bath, double shower, double vanity and separate toilet. They each have a heated towel rail. Bathroom 1 has a built in laundry, with front loading washing machine, drier and laundry sink.

Laundry in bathroom 1

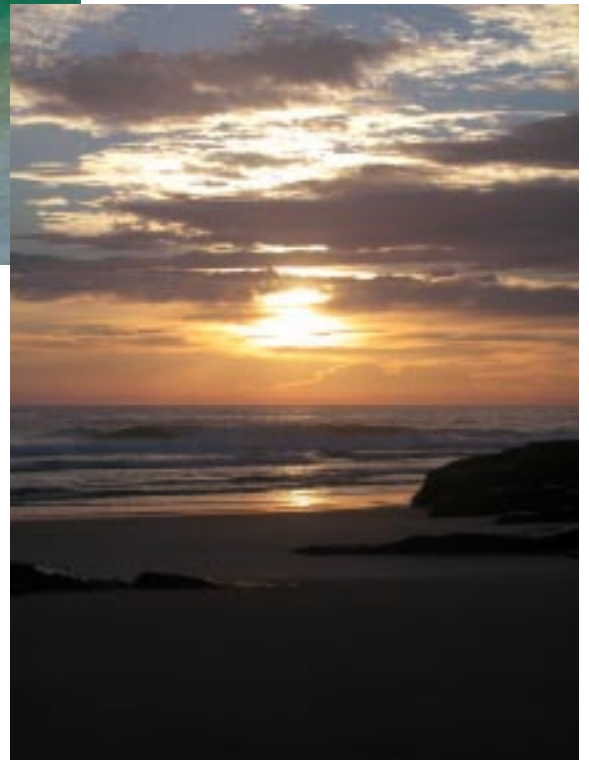

The villa has its own barbeque facility.

Under floor heating is provided in both bathrooms, the kitchen and dining areas, for added comfort in winter.

The villa has the ultimate design and features to provide a totally peaceful and relaxing holiday, in an idyllic beachside setting.
